EU export verse groenten en fruit naar Rusland in 2013 1,9 miljard euro

Export vanuit Nederland veel via Litouwen naar Rusland

De export van verse groenten en vers fruit van alle EU-landen samen naar Rusland was in 2013 met 1,87 miljard euro een fractie groter dan in 2012.

Litouwen was volgens EU cijfers in 2013 de belangrijkste leverancier. De (re)export van Nederland is flink gedaald na een top in 2008. In dat jaar (re)exporteerde Nederland 435.000 ton ter waarde van 365 miljoen euro. In 2013 was dat nog 170.000 ton met een waarde van 110 miljoen euro.

Wat niet direct in deze cijfers is te zien, is dat er veel (re)export vanuit Nederland via Litouwen naar Rusland gaat.

Eu-28: Export fresh fruit and vegetables to Russia (in €1000)
